

# MANGOSTANO

SKIN ORIENTED

CATALOG

**From Mangosteen tree**

## the fruit of beauty

Purple Natural experience made the most of a line dedicated to the wellness of your skin. The extraordinary properties of Mangosteen skillfully combined with other natural essences, assure extraordinary results against skin aging. The Mangosteen fruit therapy is a real nature force, a perfect equilibrium that will radically change the appearance of your skin.

# MANGOSTEEN

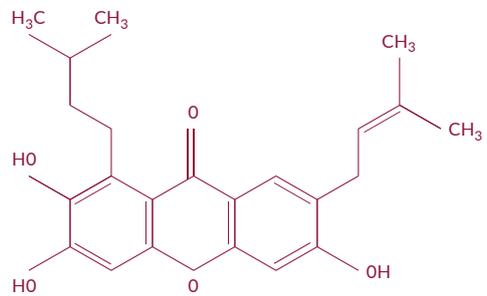

## Elixir of life

It's a typical Southeast Asia fruit with intensive purple colour, better known as The Queen of Fruits. Different types of natural plants and herbs contains Xanthonenes but any of them has the same quality and efficacy of those of mangosteen, the fruit the richest in xanthonenes so far known. Mangosteen extract contains over 40 types of xanthonenes (that is a class from polyphenols with a characteristic aromatic tricycle ring) that means the 20% of all xanthonenes types in Nature.

The most important xanthonenes are Alpha, Beta and Gamma Mangosteen.

The scientific research, besides validate the anti-oxidant power has discovered other important functions, as the followings:

- Antiage**
- Anti-inflammatory**
- Anti-bacterial**
- Anti-obesity**
- Anti-arthritis**

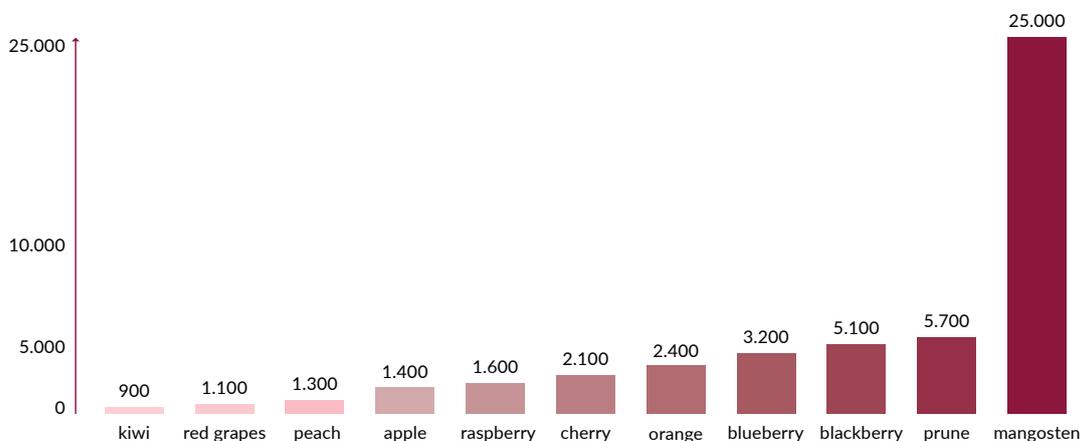

### XANTHONES, A FORCE OF NATURE.

Xanthonenes are very powerful antioxidants (they protect and fight oxidation caused by free radicals). Free radicals are among the main causes of skin aging and that's why Mangosteen can be considered in full right a powerful anti-age). They are active biological mixtures linked to the polyphenols family and structurally like bioflavonoids.

It exists 200 xanthonenes in Nature: Mangosteen contains 43 different types among the most powerful and effective so far known.

### THE NUMBERS OF CHEMICAL

ORAC TABLE (capacity of absorption of free radicals into oxygen)

Mangosteen is at the top of ORAC table (Oxygen Radical Absorbance Capacity). Among all *Garcinia Mangostana* coming from all over the world we have chosen that with the highest number of active xanthonenes.

# Dry extract: More focused More active

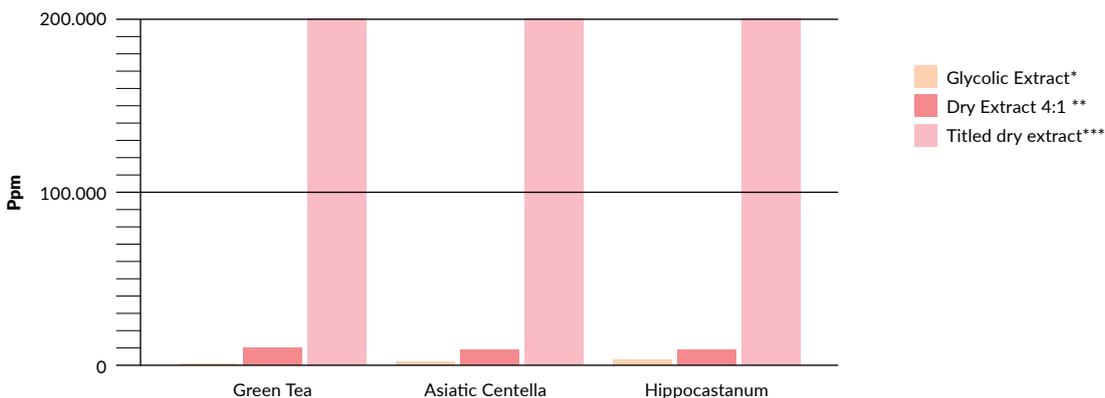

The Mangosteen used in Purple Natural products is a titled dry (D.E.) and non-glycolic extract, because the dry extract is at all qualitatively superior in terms of **concentration of active ingredient**. In fact, D.E. is obtained with the dried drug that is immersed in water and alcohol until it releases its active ingredients; at this point the liquid is evaporated and the dry extract is obtained.

The remaining dry residue contains all active drug molecules.

To prepare a gram of dry extract from a vegetable substance, it is sometimes necessary to use up to 1 kg of raw material (depending from the starting substance).

Dry extract is one of the most recommended pharmaceutical forms since it has the purest concentration of the substances of a plant or part of a plant. For this reason, it has a high amount of active ingredients and it is usually 20 to 30 times more concentrated than other extracts.

## ACTIVE PRINCIPLES - COMPARATIVE TABLE

	Green Tea	Asiatic Centella	Hippocastanum
Type of extract	Ppm content	Ppm content	Ppm content
	0	0	0
Glycolic Extract *	400	800	1.200
Dry Extract 4:1 **	8.000	6.400	6.500
Title dry extract ***	200.000	200.000	200.000

\* Glycolic extract: extreme variability and concentration of actives principles at the lowest levels

\*\* Dry extract: 4:1 less variability and concentration of actives principles at the medium levels

\*\*\* Titled dry extract: certain concentration at maximum levels

## DERMOFUNCTIONAL PROPERTIES

Anti-oxidant,  
Vasoprotective

Skin conditioning

Anti-oxidant, Skin  
conditioning

Anti-oxidant, Skin  
conditioning

Anti-oxidant, Skin  
conditioning

Soothing

### ○ PRODUCT FUNCTIONS

A cleansing emulsion suitable for all skin types, eliminates excess make-up and excess sebum from the face, making the skin fresh and bright without depleting the hydrolipidic film. Its particular effective but delicate formulation makes it also suitable for the periorcular area. Combined with the specific antioxidant and antiseptic capabilities of Mangosteen, it contributes to the prevention of oxidative stress.

### ○ WAY OF USING

Apply abundantly on the skin and massage with circular movements to help remove impurities and make-up. Rinse with plenty of warm water and gently dry. After this cleansing, the use of the facial tonic to maintain the natural pH balance of the skin is recommended.

### ○ INGREDIENTS

Aqua (Water), Chamomilla Recutita (Matricaria) Flower Water, Isostearyl Isostearate, C12-15 Alkyl Benzoate, Cetearyl Alcohol, Stearic Acid, Tea-Stearate, Glycerin, Cera Alba (Beeswax), Phenoxyethanol, Benzyl Alcohol, Allantoin, Chondrus Crispus (Carrageenan), Carbomer, Glyceryl Stearate, Maltodextrin, Vitis Vinifera (Grape) Leaf Extract, Cetareth-25, Tocopheryl Acetate, Mangostin, Parfum (Fragrance), Sodium Hydroxide, Ascorbyl Palmitate, Dehydroacetic Acid, Ethylhexylglycerin, Tetrasodium Glutamate Diacetate, Silica.

### ○ CHARACTERISTICS

Appearance: Fluid  
Odor: Typical of active ingredients  
Size: 200 ml bottle  
PAO: 6 months

## CLEANSING MILK

### POLIFUNCTIONAL VISAGE

### ○ MIXING

Avoid mixing with branded products to ensure product stability and effectiveness.

### ○ CONSERVANTS

Quality and quantity conforming to European standards.

### ○ CONSERVATION CRITERIA

Keep the cap clean to avoid contamination of germs or external bacteria.

The ambient temperature can cause a change in viscosity this does not compromise the effectiveness of the product.

Always keep in the original container, in a cool and dry place, away from sources of heat.

### ○ FIRST AID MEASURE

- Eye contact: Remove any contact lenses, wash thoroughly with fresh water while keeping the eyelids open.

- In case of accidental ingestion consult a physician.

- Keep out of reach of children.

### ○ CRITERIA FOR HANDLING

In case of accidental leakage and / or spillage, rinse the product and wash with water.

Never put the product back into the original container for further use.

Wastes from packaging and packaging must be disposed of in accordance with national / local legislation.

### ○ SECURITY ASSESSMENT

The product is safe under normal conditions of use.

### ○ MICROBIOTIC COUNTING (on intact packs)

Bacteria, molds and yeasts < 100 UFC per ml.

# CREAM FACIAL SCRUB

ACTIVE PRINCIPLES	DERMOFUNCTIONAL PROPERTIES
Helianthus Annuus Seed Extract	Emollient, Soothing
Prunus Amygdalus Dulcis Oil	Nutritious, Elastising
Corylus Avellana (Hazel) Shell Powder	Exfoliating, Soothing
Garcinia mangostana	Anti-oxidant, Skin conditioning
Tocophery Acetate (Vit. E)	Anti-oxidant, Skin conditioning
Ascorbyl palmitate (Vit. C)	Anti-oxidant, Skin conditioning
Chamomilla recutita (matricaria) flower water	Calming

### ○ PRODUCT FUNCTIONS

Soft and effective scrub. Thanks to the formula with sweet almond oil and micro fragments of almond shells and hazelnuts, it makes the skin clean and soft, ready for cosmetic treatment. Ideal also for the most delicate skin, removes the inactive cells of the superficial epidermis, giving nourishment and compactness. The Mangosteen present in the formulation helps to counteract and prevent the expression of wrinkles at the same time.

### ○ WAY OF USING

Spread a small amount of scrub cream on face and neck, massaging with circular movements. Allow for a few moments before rinsing with plenty of lukewarm water. Repeat treatment every 15 days, on sensitive skin, every week on other types.

### ○ INGREDIENTS

Aqua (Water), Helianthus Annuus (Sunflower) Seed Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, C12-15 Alkyl Benzoate, Chamomilla Recutita (Matricaria) Flower Water, Tea-Stearate, Cetearyl Alcohol, Corylus Avellana (Hazel) Shell Powder, Prunus Amygdalus Dulcis (Sweet Almond) Shell Powder, Phenoxyethanol, Benzyl Alcohol, Glyceryl Stearate, Cetareth-25, Parfum (Fragrance), Tocopheryl Acetate, Xanthan Gum, Ascorbyl Palmitate, Disodium Edta, Mangostin, Lecithin, Dehydroacetic Acid, Benzyl Salicylate, Limonene, Maltodextrin, Tocopherol, Ethylhexylglycerin, Tetrasodium Glutamate Diacetate, Citric Acid.

# SYNERGY RA REGENERATING ANTI-WRINKLE

ACTIVE PRINCIPLES	DERMOFUNCTIONAL PROPERTIES
Garcinia Mangostana	Anti-oxidant, Skin conditioning
Collagene Idrolizzato	Stimulant, antiage, protective
Acido Jaluronico	Moisturizing, filling, protective
Maltodestrine	Conditioning, absorbing
Palmitoyl Tripeptide-38	Anti-wrinkle, filling
Chamomilla recutita (matricaria) flower water	Calming

### ○ PRODUCT FUNCTIONS

Facial serum with high concentration of active ingredients with regenerating and anti-wrinkle action. Its particular effective but delicate formulation makes it suitable for all skin types, especially aged ones. The presence of filling peptides and hyaluronic acid make it functional in the prevention and treatment of wrinkles, giving a pleasant lifting effect. Collagen contrasts skin aging and stifles the turn over cells. Combined with the specific antioxidant and antiseptic properties of Mangosteen, it contributes to the prevention of oxidative stress.

### ○ WAY OF USING

Apply an appropriate quantity of product on the face, neck and décolleté skin before cleaning and massage until full absorption. Continue with the specific cream.

### ○ INGREDIENTS

Aqua (Water), Chamomilla Recutita (Matricaria) Flower Water, Polysorbate 20, Glycerin, Phenoxyethanol, Ethylhexylglycerin, Hydrolyzed Collagen, Sodium Hyaluronate, Carbomer, Mangostin, Sodium Hydroxide, Edta, Parfum (Fragrance), Caprylyl Glycol, Sodium Dehydroacetate, Maltodextrin, Hydroxypropyl Cyclodextrin, Tetrasodium Glutamate Diacetate, Pentylene Glycol, Sodium Chloride, Palmitoyl Tripeptide-38.

Sodium hyaluronate	Stimulant, antiage, protective
Palmitoyl tripeptide-38	Anti-wrinkle, filling
Chamomilla recutita (matricaria) flower water	Calming

# FACE SERUM HYALURONIC ACID

## AGED SKIN

### ○ PRODUCT FUNCTIONS

Facial serum with moisturizing and lifting action with rapid absorption. Hyaluronic acid is one of the key components of connective tissues. It takes care of maintaining the right degree of hydration, turgidity and resistance of the epidermis. Its concentration in tissues tends to diminish with age advancing, weakening skin and promoting early formation of wrinkles and blemishes.

This regularly used serum makes the skin more compact, toned and brighter. Mangosteen added to the formulation is an excellent ally in the prevention of oxidative stress.

### ○ WAY OF USING

Apply on face and neck skin after proper cleaning with Mangosteen detergent and tonic milk. Continue with the application of the specific Mangosteen cream.

It is also recommended to supplement the use of Mangosteen facial scrub every 15 days for sensitive skin, once a week for other skin types.

### ○ INGREDIENTS

Aqua (Water), C12-15 Alkyl Benzoate, Chamomilla Recutita (Matricaria) Flower Water, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Argania Spinosa Kernel Oil, Cetearyl Alcohol, Glycerin, Stearic Acid, Tea-Stearate, Mangostin, Palmitoyl Tripeptide-38, Sodium Hyaluronate, Tocopheryl Acetate, Maltodextrin, Hydroxypropyl Cyclodextrin, Glyceryl Stearate, Parfum (Fragrance), Xanthan Gum, Ascorbyl Palmitate, Dehydroacetic Acid, Ethylhexylglycerin, Tetrasodium Glutamate Diacetate, Phenoxyethanol, Benzyl Alcohol, Ammonium Acryloyldimethyltaurate/Vp Copolymer, Cetareth-25.

### ○ PRODUCT FUNCTIONS

Night and day cream suitable for all skin types, especially dry and dehydrated ones. Particularly suitable for attenuating thin wrinkles and preventing skin aging. The skin is immediately moisturized and brighter. Jojoba oil (*simmondsia chinensis* oil), present in high percentage in the formulation has protective, moisturizing and emollient properties. Combined with the specific antioxidant and antiseptic properties of Mangosteen, it helps to hydrate the skin and prevent the appearance of the first wrinkles, giving the skin softness, elasticity and comfort.

### ○ WAY OF USING

Apply morning and / or evening on clean facial, neck and décolleté skin with light circular movements until full absorption. It is advisable to use the face scrub cream in intervals of 7-15 days in order to maintain a constant cell replacement, and to enhance the circulation of the active agents.

Ascorbyl palmitate (Vit. C)	Antioxidant, Skin conditioner
Tocopheryl Acetate (Vit. E)	Antioxidant, Skin conditioner
Chamomilla recutita (matricaria) flower water	Calming

### ○ PRODUCT FUNCTIONS

Nutrient cream suitable for all types of skin, especially those that are dry and / or impoverished and for the prevention of skin aging.

Argan oil is particularly rich in essential fatty acids and vitamin E, promotes collagen production by helping to correct wrinkles and aging of the skin. Combined with the exceptional mangosteen capabilities, it helps to reduce redness, giving the skin softness, smoothness and silkiness.

### ○ WAY OF USING

Apply on face and neck skin after proper cleaning with Mangosteen detergent and tonic milk.

It is also recommended to incorporate the use of Mangosteen face scrub every 15 days for sensitive skin, every week for all other skin types.

### ○ INGREDIENTS

Aqua (Water), C12-15 Alkyl Benzoate, Argania Spinosa Kernel Oil, Chamomilla Recutita (Matricaria) Flower Water, Ethylhexyl Methoxycinnamate, Glycerin, Butyl Methoxydibenzoylmethane, Dicaprylyl Carbonate, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Tea-Stearate, Cetearyl Alcohol, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Butyrospermum Parkii (Shea) Butter, Cera Alba (Beeswax), Phenoxyethanol, Benzyl Alcohol, Glyceryl Stearate, Ammonium Acryloyldimethyltaurate/Vp Copolymer, Cetareth-25, Allantoin, Parfum (Fragrance), Tocopheryl Acetate, Xanthan Gum, Ascorbyl Palmitate, Disodium Edta, Mangostin, Lecithin, Dehydroacetic Acid, Maltodextrin, Tocopherol, Ethylhexylglycerin, Tetrasodium Glutamate Diacetate, Citric Acid.

### ○ CHARACTERISTICS

Appearance: Cream emulsion

Odor: Typical of active ingredients

Size: 50 ml vase

PAO: 6 months

## NOURISHING FACE CREAM

### DRY SKIN VISAGE

### ○ MIXING

Avoid mixing with branded products to ensure product stability and effectiveness.

### ○ CONSERVANTS

Quality and quantity conforming to European standards.

### ○ CONSERVATION CRITERIA

Keep the cap clean to avoid contamination of germs or external bacteria.

The ambient temperature can cause a change in viscosity this does not compromise the effectiveness of the product.

Always keep in the original container, in a cool and dry place, away from sources of heat.

### ○ FIRST AID MEASURE

- Eye contact: Remove any contact lenses, wash thoroughly with fresh water while keeping the eyelids open.

- In case of accidental ingestion consult a physician.

- Keep out of reach of children.

### ○ CRITERIA FOR HANDLING

In case of accidental leakage and / or spillage, rinse the product and wash with water.

Never put the product back into the original container for further use.

Wastes from packaging and packaging must be disposed of in accordance with national / local legislation.

### ○ SECURITY ASSESSMENT

The product is safe under normal conditions of use.

### ○ MICROBIOTIC COUNTING (on intact packs)

Bacteria, molds and yeasts < 100 UFC per ml.

Calming

### ○ PRODUCT FUNCTIONS

Body exfoliating cream based on sweet almond oil, mangosteen e.g. and micro fragments of almond shells and hazelnuts. It removes the inactive cells of the superficial epidermis layer and prepares the skin for cosmetic treatments.

Combined with the specific antioxidant and antiseptic properties of mangosteen, it helps to counteract and prevent, at the same time, loss of tissue elasticity and oxidative stress.

### ○ WAY OF USING

Apply the product over the entire body moistened beforehand. Massage a few minutes, paying attention to moderating pressure on the most delicate areas. At the end of the massage rinse with water, possibly avoiding the foam bath.

### ○ INGREDIENTS

Aqua (Water), Helianthus Annuus (Sunflower) Seed Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, C12-15 Alkyl Benzoate, Chamomilla Recutita (Matricaria) Flower Water, Juglans Regia (Walnut) Shell Powder, Cetearyl Alcohol, Tea-Stearate, Glyceryl Stearate, Phenoxyethanol, Benzyl Alcohol, Cetareth-25, Parfum (Fragrance), Tocopheryl Acetate, Xanthan Gum, Ascorbyl Palmitate, Disodium Edta, Mangostin, Lecithin, Dehydroacetic Acid, Benzyl Salicylate, Limonene, Maltodextrin, Tocopherol, Ethylhexylglycerin, Tetrasodium Glutamate Diacetate, Citric Acid.

### ○ PRODUCT FUNCTIONS

Body cream for dry and sensitive skin. It makes the skin soft, moisturized and bright. Shea butter (butyrospermum parkii butter), present in high percentage in the formulation, has moisturizing, emollient and protective properties.

The formulation is also rich in vitamins A, D and E. The unique antioxidant and antiseptic capacity of Mangosteen helps to prevent dehydration and premature aging.

### ○ WAY OF USING

Apply morning and / or evening on clean skin with light circular movements until full absorption; on the lower limbs it is recommended to massage in the direction of the venous return. In order to maintain a constant cell replacement it is recommended to use the scrub with intervals of 7-15 days.

### ○ INGREDIENTS

### ○ PRODUCT FUNCTIONS

Cream rich for particularly impoverished and sensitive skin. For its nutrient, antioxidant and soothing properties it is also a great after-sun. Argan oil, particularly rich in essential fatty acids and vitamin E, promotes the production of collagen by helping to correct wrinkles and skin aging. Combined with the specific antioxidant and antiseptic capabilities of Mangosteen, it helps to restore skin and prevent premature aging.

### ○ WAY OF USING

Apply morning and evening on clean skin with a light circular massage, until full absorption; on the lower limbs it is recommended to massage in the direction of the venous return.

# ANTICELLULITIS FLUID WITH MODELLING

## ACTIVE PRINCIPLES

## DERMOFUNCTIONAL PROPERTIES

Centella Asiatica extract	Vaso-tonic, Anti-edema, Draining
Vitamina E	Antioxidant
Bioflavonoidi	Antioxidant
Coleus Forskohlii extract (forskolina)	Stimulates metabolism and the use of body fat
Garcinia Mangostana	Antiossidante Condizionante cutaneo
Fitosteroli	stimulates cell proliferation and collagen and elastin synthesis
Ginger extract (zenzero)	counters the formation of adipocytes
Ippocastano extract	Vaso-protective Decongestant
Lavanda	Antiseptic, Lenitive
Chamomilla recutita (matricaria) flower water	Calming

### ○ **PRODUCT FUNCTIONS**

It contains active ingredients that act directly on the fat cell and on lipid metabolism, guaranteeing prolonged and profound action. The association of employed plant extracts has its primary function the activation of cellular metabolism aimed at higher fat consumption.

### ○ **WAY OF USING**

Apply to affected areas and massage until full absorption.

### ○ **INGREDIENTS**

Aqua, C12-15 Alkylbenzoate, Isopropyl Myristate, Camomilla recutita (matricaria) Flower Water, Glyceryl Stearate SE, Polyglyceryl 4 Caprate, Cetyl Palmitate, Cetyl Alcohol, Myristic Acid, Glycerol, Bioflavonoids, Phytosterols, Centella Asiatica Extract, Aesculus Hippocastanum Extract, Silica, Polysorbate 80, Coleus Forskohlii Root Extract, Garcinia Mangostana L., Zingiber Officinalis Root Extract, Tocopheryl Acetate, Lavandula Angustifolia Oil, Tetrasodium EDTA, Parfum, Hydroxypropyl Cellulose, Dehydroacetic Acid (and) Benzyl Alcohol, Phenoxyethanol.

### ○ **CHARACTERISTICS**

Appearance: Cream emulsion  
Odor: Typical of active ingredients  
Size: 200 ml cylinder  
PAO: 6 months

### ○ **SINERGIA**

To enhance the action on blemishes, you can use it with one or both of the other body fluids of Purple Natural's line.

## **ANTICELLULITIS FLUID WITH MODELLING**

# CELLUITE FLUID LYPOLITIC ACTION

## ACTIVE PRINCIPLES

## DERMOFUNCTIONAL PROPERTIES

Fitosteroli	stimulates cell proliferation and collagen and elastin synthesis
Fosfatidilcolina	Stimulates and the energetic use of body fat
Garcinia mangostana	Antioxidant, Skin conditioner
Commiphora Mukkul extract (guggul)	counters the formation of adipocytes
Ginger extract (zenzero)	Microcirculation stimulator, Antioxidant, Antinflammatory
Vitamina E	Antioxidant
Chamomilla recutita (matricaria) flower water	Calming

# CELLULITIS FLUID LYPOLITIC ACTION

## CELLULITE AND BODY MODELLING

### ○ PRODUCT FUNCTIONS

Phosphatidylcholine emulsion with high phospholipid content, specific for localized treatment of adipose pads on the buttocks, hips and abdomen.

It contains active ingredients that act directly on the fatty cell.

The association of Phospholipids linked to Colina and Commiphora Mukul is one of the best cosmetic combinations for the physiological reduction of body fat.

### ○ WAY OF USING

Apply to affected areas and massage until full absorption.

### ○ INGREDIENTS

Aqua, Lecithin, C12-15 Alkylbenzoate, Phosphatidylcholine, Camomilla recutita (matricaria) Flower Water, Glyceril Stearate SE, Cetyl Palmitate, Phytosterols, Myristic Acid, Cetyl Alcohol, Polysorbate 80, Garcinia Mangostana I, Zingiber Officinalis Root Extract, Commiphora Mukul Resin Extract, Tocopheryl Acetate, Hydroxypropyl Cellulose, Dehydroacetic Acid (and) Benzyl Alcohol, Phenoxyethanol, Sodium Hydroxide, Parfum.

### ○ CHARACTERISTICS

Appearance: Cream emulsion

Odor: Typical of active ingredients

Size: 200 ml cylinder

PAO: 6 months

# DRAINING FLUID

## ACTIVE PRINCIPLES

## DERMOFUNCTIONAL PROPERTIES

Centella Asiatica extract	Vaso-tonic, Anti-edema, Draining
Aesculus Hippocastanus extract	Vaso-protective, Decongestant
Ruscus Aculeatus extract	Vaso-protective, Antiedema
Melilotus Officinalis extract	Vaso-tonic, Antiedema
Vitis Vinifera Seed extract	Antioxidant, Vasoprotective
Mentolo extract	Refreshing, Decongestant
Vitamina E	Antioxidant
Garcinia Mangostana	Antioxidant, Skin conditioner
Lavanda	Antiseptic, Lenitive
Bioflavonoidi	Antioxidant
Diosmina (Flavonoide)	Anti-edema, Antinflammatory
Mentha Piperita extract	Refreshing
MSM (Dimetilsulfone)	Increasing collagen and elastin production
Rosa Canina extract	Natural Vit. C provision
Chamomilla recutita (matricaria) flower water	Calming

### ○ PRODUCT FUNCTIONS

Draining fluid with draining and vaso-protective action. Ideal to counteract water retention, heaviness and swelling of the lower limbs and edema cellulitis. Combined with the specific antioxidant and antiseptic properties of Mangosteen, it helps to counteract and prevent at the same time, loss of tissue elasticity and oxidative stress.

### ○ WAY OF USING

Apply to affected areas and massage until full absorption.

### ○ INGREDIENTS

Aqua, C12-15 Alkylbenzoate, Isopropyl Myristate, Camomilla recutita (matricaria) Flower Water, Glyceryl Stearate SE, Polyglyceryl 4 Caprate, Cetyl Palmitate, Cetyl Alcohol, Myristic Acid, Glycerol, Bioflavonoids, Phytosterols, Centella Asiatica Extract, Aesculus Hippocastanum Extract, Silica, Polysorbate 80, Coleus Forskohlii Root Extract, Garcinia Mangostana L., Zingiber Officinalis Root Extract, Tocopheryl Acetate, Lavandula Angustifolia Oil, Tetrasodium EDTA, Parfum, Hydroxypropyl Cellulose, Dehydroacetic Acid (and) Benzyl Alcohol, Phenoxyethanol.
